## **EMEA SUPPLY CHAIN & LOGISTICS SUMMIT & EXPO PARTNERS WITH PORT OF ROTTERDAM**

**London, UK, Wednesday 3rd January 2018** - We are proud to announce that the Port of Rotterdam has confirmed their partnership for the 20th Annual EMEA Supply Chain & Logistics Summit & Expo 2018.

The Port of Rotterdam continuously strives to be the smartest port. Whether this concerns port call optimization, data sharing or the internet of things, they are constantly searching for ways to improve the logistics chain via Rotterdam and creating more added value for their customers.

From June 4 -6, 2018, at the EMEA Supply Chain & Logistics Summit & Expo, the Port of Rotterdam will present its latest developments in the port and their initiatives on digitalisation.

Next to speaking at the conference, the port of Rotterdam will host Day 1 for a special insight into the gateway to Europe. There will be an onsite workshop followed by a boat tour and dinner reception in the evening.

If you would like to find out more about the latest innovative solutions that Port of Rotterdam are working on and their involvement in the upcoming event, then access the link below to see more:
